Alameda County

Grantee: Oakland Recycling Association

Amount Awarded: \$75,000.00

Grantee Contact: Ms. Selene Jaramillo

CalRecycle Grant manager: Caroll Mortensen

Project Summary: Implement a new process for distributing used oil collection containers provided by the City of Oakland. Due to the high rate of theft of containers left on the curb or doorstep, Oakland Recycling Association will coordinate the mailing of containers to those residents requesting one. Staff will also distribute containers at local auto parts store parking lots so that any questions can be answered on a one on one basis in the appropriate language.

Total Awarded for County:\$75,000.00

Los Angeles County

Grantee: Boys & Girls Club of San Gabriel Valley

Amount Awarded: \$75,000.00

Grantee Contact: Leslie E. George

CalRecycle Grant manager: Pat McDermott

Project Summary: Distribute 10,000 used oil collection containers to prospective users throughout the central San Gabriel Valley of Los Angeles County. Distribution will be in targeted neighborhoods, at special events and community fairs, at shopping centers, strip malls and supermarkets in targeted communities, and to students in comprehensive and continuation high schools. Focus will be on those most likely to generate used oil.

Grantee: Concerned Citizens of South Central Los Angeles

Amount Awarded: \$74,920.00

Grantee Contact: Ms. Syntyche Jenkins

CalRecycle Grant manager: Debra Kustic

Project Summary: Distribute 10,000 containers and accompanying educational materials to residents of South Central Los Angeles. Fifty-seven Block Clubs will distribute educational materials and containers on a house by house basis, at shopping malls, and at primary, secondary and trade schools. Residents will be referred to Los Angeles County Household Hazardous Waste Roundups and two existing Certified Used Oil Collection Centers for disposal of their used oil.

Grantee: FAME Assistance Corporation

Amount Awarded: \$75,000.00

Grantee Contact: Ms. Shelia E. Reed

CalRecycle Grant manager: Debra Kustic

Project Summary: The goal of the program is to: 1) identify underserved neighborhoods in the City of Los Angeles; 2) distribute 10,000 used oil collection containers to residents in underserved areas; 3) provide residents with the necessary educational materials and training to participate effectively in local used oil recycling opportunities.

Grantee: Los Angeles Conservation Corps

Amount Awarded: \$68,780.00

Grantee Contact: Mr. Bruce Saito

CalRecycle Grant manager: Pat McDermott

Project Summary: Identify underserved neighborhoods in the City of Los Angeles and provide residents with 10,000 reusable used oil recycling containers. Provide necessary educational materials and training to participate effectively in local used oil recycling program opportunities.

Total Awarded for County:\$293,700.00

Marin County

Grantee: Canal Community Alliance

Amount Awarded: \$42,800.00

Grantee Contact: Mr. Tom Wilson

CalRecycle Grant manager: Caroll Mortensen

Project Summary: This project will provide used oil collection services to the multicultural Canal neighborhood of San Rafael through 12 monthly used oil collection events and education across cultural and ethnic lines. Canal Community Alliance will work with existing organizations such as the Central Marin Sanitation Agency, the Marin County Office of Waste Management as well as others. Distribution of 500 reusable oil recycling containers will result in increased collection of used oil and reduced contamination of the County's water supply.

Total Awarded for County:\$42,800.00

Orange County

Grantee: Boys & Girls Club of Fullerton

Amount Awarded: \$41,031.00

Grantee Contact: Mr. Mike Lozano

CalRecycle Grant manager: Nora Keenan

Project Summary: The Club will distribute 7,000 containers to do-it-yourselfers, primarily Latino, located within a three mile radius of the club. Distribution will be done by bilingual Club youth, educated about oil recycling, under the supervision of club staff. Containers will be distributed in target neighborhoods, at community events and at local shopping centers.

Grantee: Boys and Girls Club of Garden Grove

Amount Awarded: \$50,000.00

Grantee Contact: Ms. Janis Pass

CalRecycle Grant manager: Nora Keenan

Project Summary: Targeted outreach to families lacking the language, literacy, or access skills to learn about the eight existing used oil collection centers. Education outreach will target neighborhoods near the Club and will consist of fliers and a 'frequent collector' incentive program. Purchase and distribute 5,000 containers.

Grantee: Inner Vision Youth

Amount Awarded: \$75,000.00

Grantee Contact: Mr. Michael Boyd

CalRecycle Grant manager: Nora Keenan

Project Summary: Purchase 10,000 used oil collection containers to distribute to households in Santa Ana. Efforts will be made to focus on those most likely to generate used oil.

Total Awarded for County:\$166,031.00

Sacramento County

Grantee: Keep California Beautiful

Amount Awarded: \$72,271.00

Grantee Contact:**CalRecycle Grant manager:** Sally French

Project Summary: Establish at least one certified center each in Colusa, Del Norte, Lassen, Modoc, Mono, Plumas, Tehama, and Yuba counties. Distribute 2,400 used oil collection containers and develop a public education campaign with the counties listed above as well as Alpine, Amador and Inyo counties. Public education efforts will consist of a brochure, press releases, public service announcements, news articles, magnets and presentations to local high schools.

Total Awarded for County:\$72,271.00

San Diego County**Grantee:** Environmental Health Coalition**Amount Awarded:** \$9,132.00**Grantee Contact:** Ms. Diane Takvorian**CalRecycle Grant manager:** Janet Page

Project Summary: Distribute 1,125 waste oil collection containers to residents of Chollas Creek Watershed in San Diego. This area is composed of several low income neighborhoods of color. A public education campaign consisting of materials already developed by the Environmental Health Coalition will compliment the distribution.

Grantee: I Love A Clean San Diego**Amount Awarded:** \$74,910.00**Grantee Contact:** Mr. Alan Sigelman**CalRecycle Grant manager:** Janet Page

Project Summary: Certify ten new used oil collection centers within the cities of La Mesa and Coronado. A comprehensive public education program and community outreach program will be instituted with local nonprofit, social and civic organizations. The education program will consist of a point-of-purchase poster, banners, newsletter and direct mail brochure.

Grantee: Partnership for Environmental Progress**Amount Awarded:** \$74,989.00**Grantee Contact:** Mr. Doug Perkins**CalRecycle Grant manager:** Janet Page

Project Summary: Facilitate the recycling of used oil by distributing 3,000 collection containers through Latino and Asian run businesses as well as ethnic community events. Work with Latino and Asian owned businesses in San Diego County to establish three certified used oil collection centers. Coordinate public education campaign targeting these communities.

Grantee: Solana Recyclers, Inc.**Amount Awarded:** \$34,951.00**Grantee Contact:** Ms. Rita Spiegel**CalRecycle Grant manager:** Janet Page

Project Summary: 5,000 used oil collection containers will be distributed to do-it-yourselfers in Encinitas and Solana Beach. A public education campaign consisting of newspaper advertising, a point-of-purchase tabletop display, direct mail brochure and high school event will promote the project

Grantee: Urban Corps of San Diego County**Amount Awarded:** \$72,652.00**Grantee Contact:** Mr. Erwin Sanvictores**CalRecycle Grant manager:** Janet Page

Project Summary: Purchase and distribute 5,000 used oil collection containers to do-it-yourselfers in the City of La Mesa. Pursue possible certification of 50 automobile related businesses. Develop a public education campaign consisting of 75 point-of-purchase displays promoting the proper management of used oil.

Total Awarded for County:\$266,634.00

San Francisco County

Grantee: Mission Hiring Hall

Amount Awarded: \$74,424.00

Grantee Contact: Mr. Don Marcos

CalRecycle Grant manager: Caroll Mortensen

Project Summary: Purchase 6,480 used oil collection containers to be distributed to residents in the Mission District of San Francisco. Containers will be distributed by supervised `at risk` youth who participate in the program to increase their job skills and self esteem. In addition to containers, educational materials will be distributed to residents about proper management of used oil and disposal options. The program will be evaluated for level of success at the end of the grant term.

Total Awarded for County:\$74,424.00

Santa Barbara County

Grantee: Community Environmental Council

Amount Awarded: \$63,828.00

Grantee Contact: Ms. Karen Feeney

CalRecycle Grant manager: Nora Keenan

Project Summary: Establish permanent, non-certified used oil collection centers at its two existing buyback recycling centers. Bi-lingual promotion of the used oil recycling centers would occur through print and broadcast media. Funding is also requested for 5,000 collection containers, site improvements, equipment and staff time. Links with Ventura Co (UOG2-94-0134) and Santa Barbara Co (UOG2-94-0122).

Total Awarded for County:\$63,828.00

Stanislaus County

Grantee: Yosemite Community College District

Amount Awarded: \$74,771.00

Grantee Contact: Mr. Bennett Tom

CalRecycle Grant manager: Sally French

Project Summary: Acquire equipment to establish a used oil minimization program at two community colleges in the district. These sites will be used to recycle used oil from a fleet of vehicles. They will also be used as an educational tool for waste management and hazardous waste classes at the colleges.

Total Awarded for County:\$74,771.00

Tuolumne County

Grantee: Kiwanis Club of Sonora

Amount Awarded: \$75,000.00

Grantee Contact: Ms. Andie Hockitt

CalRecycle Grant manager: Jim Robinson

Project Summary: Establish at least two additional oil collection facilities, assist existing certified centers with refresher training and hauling costs, and disseminate used oil-related public education materials in association with the City's stormwater drain awareness efforts.

Total Awarded for County:\$75,000.00
